Although the legal opinion of Wm. Herman Davidson & Moore, local attorneys who volunteered their services to the chamber of commerce in solving the transportation problem, advises that the attitude of C. H. Bower, president of the Tulsa Street Railway company, toward the present city charter, is such that the chamber of commerce at their weekly meeting at Hotel Tulsa Friday afternoon, determined to insist that the corporation be compelled to improve its system before recommending any charter changes.

## THIEVES AGAIN ACTIVE

Reports to Police Friday Indicate a Wholesale Resumption of "Business" With Losses Heavy. Sneak thieves have again become active in Tulsa. Reports filed at police headquarters yesterday indicate that this week the house prowler has had a "big run of business."

Pete Coast, 515 South Osage, reported to the police yesterday that some time Wednesday night a "stranger" had entered his room and after ransacking two trunks and a dresser, escaped with \$60 worth of clothing.

Daylight robbers entered the home

of Geo. A. Seaman, 111 South Wheeling about 2 o'clock Thursday afternoon and completely ransacked the house. Traveling bags and clothing, valued at several hundred dollars, were missing when the family returned home, Seaman told the police yesterday.

N. L. Simpkins, 231 Robinson building, lost clothing valued at \$80 when thieves entered his room some time Thursday night.

Jewelry and war savings stamps valued at about \$60 were taken from the home of Henry These, 2212 East Second, when thieves entered the home last Monday, according to a report These gave the police yesterday.

The condition of Mrs. J. E. Kahlischek, wife of J. E. Kahlischek, who lives four miles north of town, was reported to be much improved Friday night. The woman was injured when the Ford car in which the family was riding was struck by a street car at the corner of Third and Xanthus. The injured woman was taken to the home of W. T. Hild, 1004 East Third. Passengers on the street car asserted that Kahlischek was racing and was hit when he attempted to beat the street car across the crossing.

While the report was accepted by the chamber of commerce directors, the committee was instructed to continue, and to appear before the transportation commission Monday, the day on which the street railway hearing will probably be held to present the city's demand for improved service.
